President: Kevin Scheumann – Kevin noted that the REACO board discussed the upcoming Joint FPO meeting scheduled for 6/2/26; after reviewing a lack of new engaging content the meeting has been cancelled for now (rather than repeating PV/ESS and similar). Kevin suggests future joint meetings with FPO may be scheduled for next June and possibly every two years to ensure new engaging content has become available. Kevin also noted his attendance at the May 15th Tri-Chapter meeting in Santa Cruz which was well attended (over 100 people) with lots of presenters and well worth attending.
