**Doors open at 9:30 am**

**Class 10:00 am – 3:00 pm**

**Petaluma Community Center**

320 N McDowell Blvd  
Petaluma, CA 94954

#### Class Synopsis:

Course #: 49797

**0.4 CEU's for each class from an ICC Preferred Provider Instructor** –The classes will address numerous key changes to the 2025 California Plumbing Code and California Mechanical Code.

#### Instructors

**John LaTorra** John is currently a Regional Manager for CSG Consultants. He retired from the City of Redwood City where he was the Building and Inspection Manager. John chaired the Drafting, Public Hearing and Code Development Committees for the first international code, the International Plumbing Code. John has been involved in industry for over 51 years which have included experience with municipal inspections and building codes and has been an instructor for over 47 years with a community college, state university and chapters teaching on wide ranging subjects from building, energy, solar, mechanical, plumbing subjects along a wide range of subjects related to the IBC, IRC, UPC, UMC, IMC and IPC. Mr. LaTorra is also a former board member with ICC, ICBO and IAPMO.

**John Taecker** John is currently a code consultant, Taecker Codes & Technical Services (C&TS). Prior to code consulting, John worked for UL for over 40 years. He has served on various building, mechanical, plumbing and electrical model code development committees, and actively participates in all levels of the code development process for NFPA, ICC and IAPMO. He has authored numerous technical articles. He currently serves as the IAEI Northern California Chapter Vice President, co-chair for the ICC TriChapters/IAEI NorCal Education Committee, and a member of the Governing Committee for ICC's PMG Membership Council.

**COST: \$65 for REACO Members and \$105 for NON-MEMBERS.**

To become a REACO member go to [www.reacoicc.org](http://www.reacoicc.org).

**Lunch and PM snack breaks are included.**

**Registration includes the associated class handouts for the curriculum. Students should bring code books or digital access to class with them.**

You must list each person who will attend the seminar to ensure space and for the ICC certificate.

Payment may be made at the door via check or credit/debit card.
