

2021 IBC MEANS OF EGRESS INCLUDING CHANGES IN THE 2022 CBC

REDWOOD EMPIRE ASSOCIATION OF CODE OFFICIALS

PRESENTS A FULL DAY SEMINAR WITH KEVIN SCOTT

Tuesday, July 16th, 2024,
doors open at 7:30
class 8:00 am – 3:30 pm

Petaluma Community Center
Lucchesi Park
320 N. Mc Dowell Blvd
Petaluma, Ca. 94954

Class Synopsis:

0.6 CEU's from an ICC Instructor – Registration begins at 7:30 am

The class will address numerous provisions in the 2021 IBC including any changes present in the 2022 CBC where the code contains requirements pertaining to establishing a means of egress in buildings. The course is intended to help plan reviewers or building code officials identify and ensure compliance with egress components.

Course Objectives:

- List and describe each of the three parts of a means of egress.
- Identify the eight fundamental means of egress design issues.
- Calculate the occupant load and determine the required means of egress capacity.
- Determine the required number of exit access doorways and exits.
- Determine the requirements for arrangement of the means of egress elements, including: the location of exit access doorways and exits, the exit access travel distance, the common path of egress travel, and any egress through adjoining spaces.
- Determine the requirements for locations and amounts of means of egress lighting and signage.
- Evaluate the adequacy of a horizontal exit as part of a means of egress plan.
- Evaluate the means of egress in assembly spaces.
- Evaluate the adequacy of accessible means of egress.

Instructor: Kevin Scott

Kevin Scott is President of KH Scott and Associates LLC and has over 35 years of experience in code development and code application. Kevin previously worked for the International Code Council, where he was a Senior Regional Manager and served as liaison for the western United States working with code officials, manufacturers, engineers, architects, designers and contractors in Alaska, Arizona, Californian, Colorado, Hawaii, Nevada and Oregon. Prior to the ICC, Kevin spent 30 years with the Kern County Fire Department as a fire fighter, plans examiner, fire marshal, and deputy fire chief. Kevin continues to work in the development of fire code, building code and fire safety regulation at the local, state, and national levels.
