## ICC Chapter Reward Program

Dear Chapter Leadership;

Hello from the Region I Executive Board. We continue to work on establishing a strong foundation for the future of Region I, and continue to strive to meet the needs of the chapters within Region I.

One of the benefits of being an ICC Chapter is to ability to participate in the Chapter Reward Program. This program has proved to be beneficial for several of our member chapters. However, as we have discussed the Chapter Reward Program with others in the region, we have found that not everyone is aware of the program.

In order to assist our member chapters, the Region I Executive Board has developed a simple tutorial to guide chapter leadership through the process of finding and filling out the application for ICC. Please find the tutorial attached to this letter.

Thanks to all of our member chapters for your participation and support of Region I. Should you have any questions about the Chapter Reward Program or any other Region I activity, please feel free to contact Past President Stephen DiGiovanni or any board member for assistance.

Sincerely,

Randy Metz, President  
ICC Region I Chapter
